

Employer's Choice
Preventive Care Plan

What is Employer's Choice Preventive Health Plan?

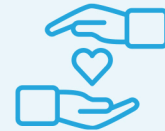

Save Taxes, Reduce Employee Medical costs, Increase Benefits

An all-inclusive **Preventive health plan using predictive AI technology** that supplements group health insurance plans and reduces costs.

A **HIPAA, ERISA, and IRS-compliant** participatory **Wellness** plan, compliant with **IRS code Sections 125, 213d, and 105**, that reduces company Payroll Taxes.

With **no net cost to Employer**, Employer's Choice prioritizes and incentivizes Preventive health care for employees, and at the same time benefits employers through eliminating Co-Pays and creating **tax savings** along the way.
